Dear Friends of THE AMERICAN DRAMA GROUP EUROPE/TNT THEATER

For the last 20 years TNT/ADGE have presented English language theater performances in your country. These varied productions have hopefully helped to bridge the gap between different cultures and to increase interest in the learning of the English language.

Two weeks ago Corona suddenly halted our production of FRANKENSTEIN not only denying you the chance to see a wonderful performance, but ripping from our hands revenues needed to pay for this production and its resulting costs. Five other productions were cancelled at the same moment leaving us in dire straits not knowing how to continue this valuable work.

If you could find a way to donate money to the accounts below, we will be forever grateful for your support. The names of all persons donating will be listed on the websites of ADGE/English Theater.cz as well as in a special program issued by the Company.
